

My rough estimate of the number of people who will be authorised to collect in the Swindon Borough Council area is

I plan to make payments etc. to collectors or to other parties involved Yes / No

[If 'yes' the details are]

I am applying for collection licences for the same purpose elsewhere Yes / No

[If 'yes' list the local councils here]

I have not been refused a licence or Order under the Act, or had a licence or Order revoked. To the best of my knowledge, nobody else involved in promoting the collection has been in that position either

[If the above statement is not true, give details of the circumstances here]

I am intending to combine this collection with a street collection Yes / No

[If yes] I would like to combine the proceeds of the House to House and street collections and send in one return rather than two separate ones Yes / No
