

Pledge to save water this summer

Pass around the pledge card and water facts below to colleagues, friends and relatives and ask them to make a pledge to save water this summer!

Pledges to save water

How will you save water, beat the drought and help the environment?

- ❖ I will put a rain water butt in the garden
- ❖ I will recycle my washing up water to water the garden
- ❖ I will turn off the tap when cleaning my teeth!
- ❖ I will replace a washer in a dripping tap.
- ❖ I will have a shower instead of a bath!
