Artsminds Gathering Monday 27 November 2006

Once again Artsminds members were treated to a new venue and thanks goes to the Bible Society in Westmead for hosting the gathering. It was a small turn out but a great return to what Artsminds is all about.

Presenting on the night was Laura Dennis from the Swindon Cultural Partnership (SCP). She explained who was involved in the SCP and what their role. She mentioned that they are looking at members for their community consultation group, details can be found by clicking the following link – www.swindon.gov.uk/artsminds226.pdf

Kirsty Carter presented on Artsmad and the great work that is being done at the North Swindon Campus. Kirsty presented details of the Invest to save Project. Click on the following link to access Kirsty's presentation - www.swindon.gov.uk/artsminds227.pdf

Rhona Jack from Blue Click PR came along to tell Artsminds members about a possible opportunity for artists to get involved in a project to put art work on the hoardings around the old Swindon College site. More details on this are to follow.

Luke Walton also gave us an update on the Bible Society's Christmas Lights Angel project.

Another great night of debate, discussion, networking and information!
