Cavendish Square Regeneration Project

April 2007

School

Subject to satisfactory weather conditions, the works to the new football pitch, and top surface to the multi-use game area, will be completed during the Easter period.

Residential Housing

Works continue on phase 1 of the building of the new houses. Demolition of St Clements Court is planned for the end of April.

Retail Shopping Centre

The works to regenerate the shops in Cavendish Square commenced on the 20th March, and will take approximately two years to complete.

The immediate works planned are:

- Cut off streetlights and remove trees
- Commence road works to Royston Road
- Demolish Garages and continue road works to Royston Road

Additional Information

Some recently asked questions:

Q. What traffic calming are being considered?

A. Traffic calming is being considered in Whitbourne Avenue and Royston Road.
