

All about Miles

I am a SEND Delivery Support Officer

One thing I like....

In work: Being involved in different projects and programmes and learning how they make a positive difference for colleagues and SEND children and young people and their families.

Outside of work: Gaming, watching new shows / films and meeting up with friends.

One thing I don't like is...

In work: Having meetings that are back to back and when Word moves everything around.

Outside of work: Waiting for things

The best way to communicate with me is...

Words that describe me...

Approachable, helpful and considerate.
