

All about Sophie

What do I do?

My role is supporting the north area of Swindon schools, pupils and families. I process Annual Reviews, amend EHC Plans, process funding requests and support students and parents to transfer schools at key stages.

One thing I like is....

The variety of work and engaging with schools and parents

One thing I do not like is....

When there are challenges with a child's needs being met in their school.

The best thing about my job is....

I enjoy documenting the progress and success young people have made to their outcomes.

The best way to contact me is....

I am happy communicating via email or phone. Please email: SENDService@swindon.gov.uk.
Or call: 01793 464641
