

# All about Sophie

I am an EHCP Co-ordinator

One thing I like.....

In work: Working within a team with the common goal of supporting children and young people with SEND.

Outside of work: Dogs and crisps!

One thing I don't like is...

In work: A cold office!

Outside of work: Getting stuck in traffic!

Words that describe me...

Organised  
**Hardworking**  
Caring

The best way to communicate with me is...

Please email the: [SENDSERVICE@swindon.gov.uk](mailto:SENDSERVICE@swindon.gov.uk).

I will get back to you as soon as I can.

The best thing about my job is...

Contributing towards something purposeful for a child/young person.

**I promise that:**

- 1) I will work hard and conscientiously
- 2) I will be available to help and answer questions and communicate effectively.
- 3) I will ensure children and young people are at the centre of their plans.
