

## SEND Strategic Partnership Board – 8<sup>th</sup> December 2022

**Date and Time:** 08/12/2022 at 9:30am-13:30pm

**Location:** Lawn Manor Academy

### **Topics Covered:**

- STEP (Swindon): A brief overview of updates on outstanding actions.
- SEND Performance Scorecards: Health performance data and SEND Service performance data.
- Out of Borough Visits: Routine auditing taking place, and a draft for residential special school protocol has been created.
- Designated Schools Grant (DSG) and Delivering Better Value (DBV): Update on the plan moving forward, to begin the programme fully in January 2023.
- Transport Update: New hubs are now in place, new Jadu system for applications.
- SENDi Priority 6: Capacity is still an issue for this priority.
- SENDi Priority 5: Item not presented as the presenter was not there.
- SENDi Priority 4: Health now have funding approved to implement a team that will triage requests for advice.
- SENDi Priority 3: Quality Assurance reporting has been established.
- SENDi Priority 2: Item not presented as the presenter was not there.
- SENDi Priority 1: No progress yet on the inclusion index across all maintained nurseries, schools and further education provision.

### **Decisions Made:**

- No decisions recorded for this board.

### **Areas of Achievement:**

- The board recognised the progress made on the quality of health advice for Education, Health and Care Plans (EHCPs).

### **Areas of Improvement:**

- SENDi Priorities 2 and 5 not presented at this meeting due to colleagues not be there to present.
