**Changes to legislation:**

There are currently no known outstanding effects for the Flood and Water Management Act 2010, Section 21. ?

**21 Lead local authorities: duty to maintain a register**

- (1) A lead local flood authority must establish and maintain—
  - (a) a register of structures or features which, in the opinion of the authority, are likely to have a significant effect on a flood risk in its area, and
  - (b) a record of information about each of those structures or features, including information about ownership and state of repair.
- (2) The Minister may by regulations make provision about the content of the register and record.
- (3) The lead local flood authority must arrange for the register to be available for inspection at all reasonable times.
- (4) The Minister may by regulations provide for information of a specified description to be excluded from the register or record.
- (5) In this section, “the Minister” means—
  - (a) the Secretary of State in relation to authorities in England, and
  - (b) the Welsh Ministers in relation to authorities in Wales.
