**Changes to legislation:**

There are currently no known outstanding effects for the Flood and Water Management Act 2010, Section 9. ?

**9 Local flood risk management strategies: England**

- (1) A lead local flood authority for an area in England must develop, maintain, apply and monitor a strategy for local flood risk management in its area (a “local flood risk management strategy”).
- (2) In subsection (1) “local flood risk” means flood risk from—
  - (a) surface runoff,
  - (b) groundwater, and
  - (c) ordinary watercourses.
- (3) In subsection (2)(c) the reference to an ordinary watercourse includes a reference to a lake, pond or other area of water which flows into an ordinary watercourse.
- (4) The strategy must specify—
  - (a) the risk management authorities in the authority's area,
  - (b) the flood and coastal erosion risk management functions that may be exercised by those authorities in relation to the area,
  - (c) the objectives for managing local flood risk (including any objectives included in the authority's flood risk management plan prepared in accordance with the Flood Risk Regulations 2009),
  - (d) the measures proposed to achieve those objectives,
  - (e) how and when the measures are expected to be implemented,
  - (f) the costs and benefits of those measures, and how they are to be paid for,
  - (g) the assessment of local flood risk for the purpose of the strategy,

- (h) how and when the strategy is to be reviewed, and
  - (i) how the strategy contributes to the achievement of wider environmental objectives.
- (5) The strategy must be consistent with the national flood and coastal erosion risk management strategy for England under section 7.
- (6) A lead local flood authority must consult the following about its local flood risk management strategy—
- (a) risk management authorities that may be affected by the strategy (including risk management authorities in Wales), and
  - (b) the public.
- (7) A lead local flood authority must publish a summary of its local flood risk management strategy (including guidance about the availability of relevant information).
- (8) A lead local flood authority may issue guidance about the application of the local flood risk management strategy in its area.
- (9) A lead local flood authority must have regard to any guidance issued by the Secretary of State about—
- (a) the local flood risk management strategy, and
  - (b) guidance under subsection (8).
