Dear Sir/Madam,

**Re –Parking Restrictions Stratton Road & New Dawn Place**

I am writing to advise you that the Swindon Borough Council has been asked to consider introducing parking restrictions on New Dawn Place and Stratton Road

The intended purpose of the waiting restrictions is to prevent obstruction on New Dawn Place and Stratton Road junction.

This request has been submitted to the Council by Local Ward Councillors as a result of concerns raised by residents or poor parking behaviours around this junction.

Prior to Swindon Borough Council starting the statutory process, you are invited to comment on the proposals that have been prepared in conjunction with your local Ward Councillors.

Details of the proposals can be viewed on the Council's website, under the heading of 'Stage 1 - Informal consultation' at [www.swindon.gov.uk/trafficregulationorders](http://www.swindon.gov.uk/trafficregulationorders); using the above reference.

Please review the plans and submit any comments you may have via the form on the website by 31 December 2025.

All comments will be collated and reported back to Ward Councillors for consideration of the next steps and whether to proceed to formal statutory consultation. The volume of feedback, both in support of and against the proposals will be taken into account so it is important that you record your views.

To follow progress in relation to this Traffic Regulation Order or to find out more about Traffic Regulation Orders, please visit the Council website; [www.swindon.gov.uk/trafficregulationorders](http://www.swindon.gov.uk/trafficregulationorders);

If you experience any problems accessing the information, via the above link, you may contact us in writing or via [TrafficManager@swindon.gov.uk](mailto:TrafficManager@swindon.gov.uk) using the above reference and we can send a copy of the proposals.

Yours sincerely,

Traffic Management & Road Safety
