

 SBC Administrative Boundary

**BGS Susceptibility to Groundwater Flooding**

 Limited potential for groundwater flooding to occur

 Potential for groundwater flooding of property situated below ground level

 Potential for groundwater flooding to occur at surface

|                                                                                     |                                                                                               |                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                         |
