### Request to carry out free graffiti removal works

I accept the offer by Swindon Borough Council to carry out works to remove graffiti from my property and I confirm that I am the owner of the property.

I understand that the use of controlled pressure jetting equipment may cause damage to brickwork, masonry and other surfaces. I also understand that Swindon Borough Council will not be liable in respect of any damage caused in respect of the work carried out.

I note that graffiti removed from wooden fences will usually be undertaken with a controlled pressure cleaner, this can however remove any timber care treatment or paint that has previously been applied. I accept that reapplication of timber care will be my responsibility.

If the graffiti is over painted I agree that an exact match cannot be attained and that there will be a difference in shade or colour between the existing coat and any new application on masonry. Possible over painting of the graffiti attack can take place on request by the owner of the property and a best match will be sought but not guaranteed\*.

I understand that Swindon Borough Council cannot guarantee to remove all or any of the graffiti applied to my property.
