Dear Social Worker/Doctor/Care Home Manager,

The holder of this letter is entitled to concessionary travel and has indicated that they now wish to claim an **additional travel allowance for a companion**. To qualify for this additional allowance, the current scheme requires 'that a person is so severely disabled as to require the assistance of a companion to travel'.

I would be grateful if you would indicate your opinion in the space provided.

Thank you in advance for your co-operation

Yours sincerely
