Dear Mr Duncan,

Re: use of the Adult Social Care precept 2019/20

In reply to your letter of 7th March 2019, I am writing to certify that Swindon Borough Council has increased its council tax in order to fund adult social care services in 2019/20.

I also certify that the additional 2017 Spring Budget funding for 2019/20 will be used to fund adult social care.

Yours sincerely,
