Notes

This map has been produced using OS Terrain 50 data. OS Terrain data is available as a 50m gridded digital terrain model and 10m contours and spot heights. The data is updated once a year, in July.

The purpose of this map is to give an overview of the topography of the study area.

COPYRIGHT Contains Ordnance Survey data © Crown copyright and database right 2018. Contains Environment Agency data © Environment Agency and database right 2019.
