

- a) A – C – D represents the line of the new boundary between the land which you are purchasing and the road side area of land which Mr Sadler will be retaining. The Contract provides that within 2 months from the date of completion you will construct a 1.2m high wooden post and 3 rail fence along that boundary line and you will thereafter maintain the same in good repair and condition and replace the boundary fence if necessary.
  - b) The points marked E – F represent an existing hedgerow, ownership of which will be retained by Mr Sadler.
