

PUBLIC NOTICE

IMPLEMENTATION OF PEDESTRIAN CROSSING

NOTICE IS HEREBY GIVEN that Swindon Borough Council in exercise of its powers under Section 23 of the Road Traffic Regulation Act 1984, intend to introduce a toucan crossing on Queens Drive, west of Coate Roundabout.

The proposed crossing aims to promote pedestrian and cyclist movement in the area by offering an improved route by way of removing the subway which is currently not wide enough to safely accommodate both pedestrians and cyclists.

Note- 'Zig Zag' markings will be installed at either side of the crossing which will prohibit stopping on the approach/exit of the crossing.

A plan showing the location of the crossing may be inspected online at www.swindon.gov.uk/trafficregulationorders

Representations to the proposed crossing should be made by completing the consultation form which can be found at www.swindon.gov.uk/trafficregulationorders under 'Stage 7 –Road Humps and Pedestrian Crossings' by no later than 12 February 2022. Any representation received will form part of a public record which may be made publicly available.
