

**SWINDON BOROUGH COUNCIL (SHEEP STREET AND VICARAGE LANE,
HIGHWORTH)**
(ONE WAY AND PROHIBITION OF DRIVING) ORDER 2022

STATEMENT OF REASONS

Officers are in the process of digitising the Council's Moving Traffic Orders. This includes all prohibition of driving and one-way orders. As part of this process, anomalies are being identified and corrected before the restrictions are mapped and made available for public viewing via Traffmap.

The reason for this order is that this location has been identified as part of that digitisation process for the reason that the description in the schedule does not match the signage on the ground. It is proposed that the previous 1971 Order that only records the prohibition of driving except access and one way restriction for Vicarage Lane to its junction with Sheep Street, is extended to include Sheep Street to its junction with Market Place.
