

SWINDON BOROUGH COUNCIL AND WILTSHIRE COUNCIL WEIGHT  
RESTRICTION ORDERS  
TADPOLE LANE, C117 AND U/C 2017 CASTLE EATON/MARSTON MEYSEY

**STATEMENT OF REASONS**

Officers at Swindon Borough Council are in the process of digitising the Council's Moving Traffic Orders. This includes all weight restriction orders. As part of this process, it was identified that the above orders were made jointly with Wiltshire Council. It is proposed that these joint orders are revoked and re-enacted as separate Orders to cover the restrictions on the lengths of road within the relevant authorities boundary. This administrative task is required before the restrictions within Swindon Borough Council area are mapped and made available for public viewing via Traffmap.
