

**Swindon Borough Council (Waiting and Loading Restrictions and Parking Places  
Consolidation) Order 2021 (Variation No 19) Order 2022**

**STATEMENT OF REASONS**

The School Safe Environment Zones (SSEZ) programme is the Council's approach to delivering road safety and congestion improvements for schools across Swindon over the next 5 years. It is anticipated that SSEZ's will encompass a package of measures that aim to encourage behavioural change and improve safety outside and in the vicinity of schools.

The design of each SSEZ will be bespoke to the circumstances and characteristics of each school, its location and the current behaviours of its pupils and parents/carers.

St Catherine's RC Primary School was identified as part of the year 2 programme and following an assessment and the installation of a School Street on Davenwood it is proposed to introduce the following Traffic Regulation Orders (TRO's) within the turning head outside the main vehicle and pedestrian access

- No waiting at any time

The orders are as a consequence of parking and visibility and obstruction difficulties encountered within the turning head of Davenwood.

The reason for making this order is as follow;

- a. For avoiding danger to persons or other traffic using the road, or any other road or for preventing the likelihood of any such danger arising; or
- b. For facilitating the passage on the road, or any other road of any class of traffic (including pedestrians), or
- c. For preserving or improving the amenities of the area through which the road runs, or
- d. to assist with the free flow of traffic, or
- e. to improve the environment for local residents

This request has been delivered in conjunction with local Ward Councillors. Consultation has been carried out with residents, emergency services, and other relevant stakeholders.
