

THE SWINDON BOROUGH COUNCIL
(VARIOUS ROADS, SWINDON) (SPEED LIMITS) CONSOLIDATION ORDER 2022 VO2 William Morris
Way

STATEMENT OF REASONS

The purpose of this Order is to introduce a 30mph speed limit traffic regulation order on the unlit section of William Morris Way.

This work is necessary as part of the Council's School Safe Environment Zone Programme for William Morris Primary School & Churchward School.

This section of road from Blunsdon Hill/Front Lane junction is currently derestricted national speed limit and due to the development of the new schools, the 30mph limit is required to be introduced to help maintain a manageable speed along this section of road.

This Order is for the safety of all road users using this section of road.
