

THE SWINDON BOROUGH COUNCIL

(VARIOUS ROADS, SWINDON) (SPEED LIMITS) CONSOLIDATION ORDER 2022 VO3 Highworth Road

STATEMENT OF REASONS

The purpose of this Order is to introduce a 40mph speed limit traffic regulation order on a section of Highworth Road near Maranatha School.

This work is necessary as part of the Council's School Safe Environment Zone Programme for Maranatha School.

This section of road from Supermarine Road junction is currently derestricted national speed limit. Due to the concealed access of Maranatha School, this proposed limit is required to be introduced to reduce the speed on the approaches to this access and to assist in maintaining a manageable speed along this section of road.

This Order is for safety of all road users using this section of road.
