Advisory Teachers for Cognition and Learning - New Traded Offer, 2023-24

The Advisory Teachers for Cognition and Learning will become fully traded from September 2023 and have an exciting range of services on offer, now available for schools to order.

This includes a 'daily rate' (£462) within which the school can plan with the advisory teacher a range of bespoke activities such as consultations, assessments, advice and modelling of interventions.

There is also a wide range of training courses on offer (both centralised and whole school), plus a package to support schools to achieve and maintain the 'Swindon Dyslexia Friendly Schools Quality Mark'.

These new traded services are all available to order on the Swindon Hub for Education via the 'CLASS' main pages and the general 'Training' pages. Please feel free to contact the advisory teachers for further information: CLASS@swindon.gov.uk 

Call the SEND Service on 01793 464641. Lines are open Monday to Thursday 8am-5pm and 8am-4:30pm on Friday.

Alternatively, you can email SENDService@swindon.gov.uk.

Swindon Health and Wellbeing Strategy (2023-2033) Consultation

The new Swindon Health and Wellbeing Strategy is currently being consulted on and we would like to cascade this through to all relevant partners and residents in Swindon for input.

The strategy outlines the priority areas for the next 10 years and how we would like to work together so that more people can spend more years in good health in Swindon. This consultation is for us to hear your thoughts on the strategy.
