

THE SWINDON BOROUGH COUNCIL

(VARIOUS ROADS, SWINDON) (SPEED LIMITS) CONSOLIDATION ORDER 2022 VO12 2023 Dorcan Way,
Swindon

STATEMENT OF REASONS

The purpose of this Order is to extend the 30mph speed limit and revoke a section of the 40mph speed limit traffic regulation order on a section of Dorcan Way on the approaches to the signalised crossing near Dorcan Academy.

This work is necessary as part of the Council's School Safe Environment Zone Programme for Dorcan Academy and relates to a location where students from Dorcan Academy cross Dorcan Way.

The section of road where the pedestrian crossing is located is currently covered by a 40mph speed limit. Due to the number of young adults/children using the crossing, this proposed 30mph limit is required to be introduced to reduce the speed on the approaches to this crossing and to assist in maintaining a manageable speed along this section of road.

This Order is for safety of all road users using this section of road.
