

All about Neil

I am an EHCP Coordinator

One thing I like is...

Helping people to achieve their potential.

One thing I don't like is...

Unnecessary holdup and not knowing an answer to a question.

The best way to communicate with me is...

By email but I do prefer talking directly to you as that makes everything much clearer.

The best thing about my job... is meeting new people and helping them get the best out of their education.

Words that describe me...

Approachable, helpful,
Scottish.

I promise that...

1. Children and young people come first and you will see this is at the centre of everything we do together.
2. I will work in a professional way at all times to give you confidence in us working together.
3. Good communication matters.
