## Interim Head of Statutory SEND Service

One thing I like.....

In work: The opportunity to make a difference to children and young people's lives is what motivates me. I am fully committed to inclusion.

Outside of work: I love Football and support my local team Newport County AFC; and I adore spending time with my cats (see picture).

One thing I don't like is...

In work: Too many complex systems and processes which can create barriers

Outside of work: Ironing

The best way to communicate with me is...

I believe in open, honest, transparent discussion and where possible face to face. The current climate does not allow for that but I am fully accessible via 'video' calling using appropriate software. I also appreciate that you may have a preferred method of communication and I am more than happy to facilitate this.

To speak to myself or a colleague please call 01793 464641

The best thing about my job is...

That I am able to make a positive difference to children and young people with SEND and their families.

Words that describe me...

Passionate, committed, driven, honest, resilient, inquisitive, curious

I promise that:

1. I will put the views of children, young people and their families at the heart of all of our work.
2. We will aim to ensure that children and young people get the right support, in the right place at the right time.
