

All about Andrew O

I am the Delivery and Systems Team Leader

One thing I like is...

Working with others to make things better.

One thing I don't like is...

Getting it wrong.

The best way to communicate with me is...

To have a conversation or send an email. You can do this by emailing senat@swindon.gov.uk or calling 01793 464641.

The best thing about my job is...

Knowing that the work we do contributes to children and young people with SEND receiving a good education.

Words that describe me...

Passionate, conscientious and committed.

I promise that...

1. Children and young people are the heart of everything we do.
2. I will work with parents, carers and young people to provide the best service and experience we can.
3. We will always do our best to get it right first time.
