

All about Emily K

What do I do?

I am the SEND Service Compliance Officer. My role has oversight on the quality assurance of our statutory work (EHCPs and Annual Reviews), as well as our strategic work (governance, improvement, policies and processes). Alongside this I oversee our compliance with the legal framework surrounding SEND, so work with our data to keep us all on track. I also line manage our SEND Finance & Personal Budget Officers, as well as our SEND Apprentice.

One thing I like is....

Being busy – both during work and my personal time! Outside of work you can usually find between the pages of a good book, playing a video game, or watching a scary movie!

One thing I do not like is....

Making mistakes (and spiders).

The best thing about my job is....

Working alongside other dedicated individuals who all work hard to ensure children, young people and families with SEND in Swindon receive the support they require to thrive within their community.

The best way to contact me is....

I am happy communicating via email or phone. Please email: SENDSERVICE@swindon.gov.uk.
