

All about Jorge

What do I do?

I am the Team Leader for the North Team in the SEND Service, which covers 32 schools in the North of Swindon. My role includes the line management of 2 Assessment Coordinators, 4 Annual Review Coordinators and 1 Delivery Support Officer. I have a caseload of tribunal and mediation cases. A lot of my time at work is spent on casework, weekly supervisions with the team and quality assurance.

One thing I like is....

I really enjoy cooking, in particular, trying new recipes to make for my family.

One thing I do not like is....

Spiders, they terrify me.

The best thing about my job is....

Making a difference to children and young people's lives – this could be giving families good news or working together with families and professionals to get the best outcomes for children and young people in Swindon.

The best way to contact me is....

I am happy communicating via email or phone. Please email: SENDSERVICE@swindon.gov.uk.
Or call: 01793 464641
