

All about Kieran

I am the SEND Transport
Apprentice

One thing I like is...

Making sure that every issue is solved and parents leave with a smile on their faces.

One thing I don't like is...

Being let down.

The best way to communicate with me is...

Phone the Travel North Hub number on: 01793464165

Or contact me via Travel North email.

The best thing about my job is...

being able to transport CYP'S to and from school so we can relieve stress from parents

3 Words that describe me are:

Approachable
Motivated
Hard Working

I promise to:

Make sure that every problem is solved. Every child gets to and from school. But to make sure at the end of the day everyone leaves with a smile.
