

# All about MINE (pronounced:Meeneh)

## What do I do?

I am the Team Leader of the Preparation for Adulthood team within the Statutory Send Service at Swindon Borough Council. My team looks after young people's EHCPs from Year 10 onwards.

My main roles include managing a team of six EHCP coordinators, supporting them in their daily case work, as well as holding mediation meetings and representing the Local Authority in Send Tribunals.

## One thing I like is....

**Work:** It makes me happy when I see that my team has made a positive difference to a young person's and their family's lives by arranging the most appropriate education placement where they thrive and achieve the best outcomes within their fullest potential.

Getting thank you emails from families.

**Private:** Going on holiday with my two boys, good food, going to the shops with my best friend and Netflix!

## One thing I do not like is....

**Work:** Returning to a bursting inbox after a holiday.

**Private:** The weekly food shop and deciding what to make for dinner!

## The best thing about my job is....

Seeing young people with SEND being successful, thriving and leading independent lives as a result of getting the best education to fit their special educational needs. My colleagues – we have an excellent team spirit!
