

All about Sally F.

What do I do?

I am a Delivery Support Officer. I am one of the first points of contact for parents and professionals via phone and email. My role is varied and always busy.

One thing I like is....

When I feel I've really helped a parent, young person or professional after speaking to them on the phone.

One thing I do not like is....

Unnecessary distractions.

The best thing about my job is....

Knowing that my work plays a part in helping a child and their family receive the educational support and guidance they need.

The best way to contact me is....

I am happy communicating via email or phone. Please email: SENDService@swindon.gov.uk.
