

All about Keri

I am Statutory Team Leader

One thing I like.....

Inclusion of children and young people!

One thing I don't like is...

Getting things wrong!

The best way to communicate with me is...

I will communicate in any way needed (by email, telephone or a meeting).

However, if I am not available please email SENAT@swindon.gov.uk or telephone 01793 464641 and I will get back to you as soon as possible.

I promise that:

1. I will try to always listen and be professional
2. I will make sure I put the young person/child's views at the heart of SEND
3. I will communicate effectively and say if something cannot be achieved

The best thing about my job is...

Being able to make a difference!

Words that describe me...

Honest, hardworking, persistent and resilient
