- We have worked with over 100 individuals under 25 over the programme term
- We help develop work skills and provide opportunities in the work place

- We support and review your progress throughout your placements and time with us.
- We help develop CVs, support with interview technique and preparation.
- We are here to help broaden your view on Employment and the opportunities out there.
- Encourage you to be more confidence and discover your skill set

WHAT ARE WE DOING?

- Helping people to go into work or back into Education
- We work with local employers.
- Developing placement opportunities in Swindon.
- We help with interviews, video CVs and job applications for employment.
- Travel Training and developing work skills.

When individuals develop confidence - try new things, move forward into the employment. Start to believe in themselves and you start to believe you can be valued members of society.

HOW DO WE KNOW THINGS ARE BETTER?

WHAT DIFFERENCE DOES THIS MAKE?

Working can increase positive well-being, increase confidence, develop new friendships and experience.
