

SENCO Network Evaluation 2022

This evaluation was to explore SENCOs views of the SENCO Network that took place on 9th November 2022 and focused on 'Supporting Children and Young People with Health Needs'. 64 professionals attended the event and 19 responded to the post-event evaluation.

8.6/10

SENCOs' average rating for the SENCO Network
(1 = poor, 10 = excellent)

3.8/5

SENCOs' average increase in knowledge around supporting CYP with health
(1 = not at all, 5 = very much)

What did SENCOs find most helpful?

The opportunity to hear about provision available and how to access it

Learning about the role of advisory teachers

Clarity on when to have an IHCP

Information about CAMHS/TAMHS referrals

What could improve future SENCO Network sessions?

Future focuses could be SEMH, ASD, ADHD and/or EYFS SEND

Advice on how to use the portal for EHCNA requests

A short break between presentations would have been helpful

Guidance on the revised Annual Review paperwork
