What did SENCOs find most helpful?

Learning about Microsoft Accessibility tools (e.g. Immersive Reader)

Knowing what services are available in Swindon

Legal frameworks/legislation session

Presentations from the advisory teams were a good refresher

What could improve future SENCO Network sessions?

A Q&A session with SEND staff thinking about EHCNA

More input around specific interventions that are available

Having breakout rooms for SENCOs to share successes/struggles

A mix of online and face-to-face to support networking
