

Chatter Card (No. 1)

Activities & Games for Talking on the Move!
Look out for more at different places around Swindon.

Spot the number

Each choose a number (your child may need it written down) e.g. age, house number. How many places can you see that number? *E.g. bar codes, number plates, signs, buses.*

Try some of these activities when you're on the train, at the beach, in a queue, at the supermarket...

What rhymes with...

Choose an object you see. Take turns to say a word that rhymes. It can be a made up word!
E.g. carrot – parrot – barrett - tarot

Stop & Go

Choose an action (e.g. stamping, jumping, clapping, shaking keys, waving). Your child needs to listen carefully for you to say 'stop' to stop the action, or 'go' to do the action. Take turns to say 'stop' and 'go'.

Remember...

If you are concerned about your child's speech and language development, you can talk to your Health Visitor or Children's centre staff.

What am I?

Hide an item behind your back or in a bag. Give your child clues about it. Can they guess what it is? Alternatively, you could let your child ask you questions to find out about it.
